- In celebration of the 60th Anniversary of Historic Formula 3 we will be racing exclusively at genuine period circuits throughout 2024 to create a unique 'step back in time' for drivers and spectators alike
- We hope to be the headline race at a number of the championship rounds and will be running unsilenced wherever possible to recreate the authentic 'screamers' sound and experience
- All HSCC championship rounds will be stand-alone races for Historic F3 cars and run as double-headers with races on both Saturday and Sunday.

Mallory Park - 'Spring Scream'

The first one-litre F3 race took place on March 8th 1964 at Mallory Park. For those that took part in the Javelin Formula track day this year, you will know this is an excellent (and cheap way) to shake your car down after the winter break. Book directly with Javelin. https://javelintrackdays.co.uk/trackdays/Formula_Trackdays

Goodwood – 81st Members' Meeting

Not part of the HSCC Championship but Goodwood provides the perfect start to our Anniversary season. The one-litre screamers raced at the Members' Meeting in March 1964 and we will be back in 2024 for its 81st running.

Cadwell Park – HSCC Wolds Trophy

2 races for the Justin Haler Memorial Trophy at the fantastically period Cadwell circuit. Check out the footage of the 1969 Formula 3 race if you need any more convincing! <https://youtu.be/RmYFps8zXbU>

Thruxton - Historic Festival

Historic Formula 3 returns to Thruxton for its headline historic racing festival. The first ever race meeting at Thruxton took place on March 17th 1968 and the one-litre screamers were there. So it's about time we were back.

Brands Hatch GP - HSCC Superprix – The Nations' Cup

Brands delivered the biggest grid of the year in 2023 with a fantastic 31 cars. Recognising the tremendous European support we always get for this race we will be running it as 'The Nations' Cup' in celebration of our 2024 Anniversary.

Oulton Park – HSCC/MSV Gold Cup

The Gold Cup meeting is one of the most charismatic on the UK historic racing calendar and for our anniversary season the one-litre screamers will be **the headline race with the winner receiving the prestigious Gold Cup itself.**

Castle Combe – Autumn Classic

The one-litre screamers raced at Castle Combe in their very first 1964 season and returned every year thereafter. The Autumn Classic attracted big crowds in 2023 and the screamers are sure to be a hit with spectators.

Dijon – HVM Motors Cup

Our championship concludes on the magnificent French Dijon circuit with its incredible main straight which delivered an epic slip-streaming battle in 2022. The perfect place for the one-litre screamers to end their season.

Come and join us in 2024 for the 60th Anniversary Tour!
